President's Message

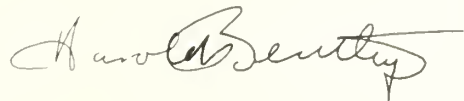

This yearbook will document another good year in the story of Northern Essex Community College. It is the fourth year of publication.

The students who worked on the early issues are now gone from our campus, leaving a heritage of pleasant memories that are evoked each time I open one of the books. Many of them return to tell us of the new experiences they are having as they break new trails across the landscape of their lives. All of them inquire about the students now in the College. It is a pleasure to tell them that our present students show the same good qualities of high motivation and superlative achievement that marked their class.

Each year our numbers increase. Each year we send more students from our classrooms to serve a world where both need and opportunity increase as mankind's wisdom and understanding reach to further horizons. It is a tremendous privilege for me to share with you in your development and growth. No position held by anyone can give greater satisfaction than that of president of an enterprise where young people cross new boundaries, and where the chief criterion is maturity of mind, spirit, and body.

You come to us as young people of promise. You leave us as those who cross the threshold into manhood and womanhood. There is a feeling of severance as you go away from us. Yet there is no sense of pain or unease. We have only a feeling of pleasure that you have accomplished your objective and are now ready to reach for the next level of beckoning privilege. Yours is a generation for which a key word could be privilege. The people of the Commonwealth of Massachusetts have helped subsidize your higher educational experience. People of deep social consciousness have given time and effort as members of our board to see that your needs are constantly met. Legislators of both parties unite in giving our citizens the opportunity to learn to the optimum of their possibilities. This is the emerging new world of widespread privilege — and this world is yours!

Our teachers, the office and maintenance staff, and our administrative personnel all wish you good luck, and are thankful to have known you.

A handwritten signature in black ink, reading "Harold Dentley". The signature is fluid and cursive, with the first name "Harold" written in a larger, more prominent script than the last name "Dentley".

Public Relations Board

The Northern Essex Community College Student Public Board was founded in 1964 in order to establish better Public Relations with the communities which contribute to N.E.C.C. The Board is open to all members of the N.E.C.C. Student Government Association.

The board has worked with as many as twenty-two newspapers and eight radio stations. Announcements of dances and other activities, election results, Dean's List students, and many other newsworthy events are handled by the board's members.

The Board is the only organization of its type on campus. Its primary goal is to help and assist the school and the other organizations and clubs of the school.

BOARD MEMBERS: Jeff Pollett, Dean Quarrell, John Borsetti, Rilla Tacy, Beverly Gibelin, Paul Fuller, Paul Caron, *Chairman*; Michael Gursky

It features talks by officials of the Internal Revenue Service on various aspects of their jobs.

So you think you're pretty slick.

The Northern Essex Community College Chorale has already partially fulfilled the hopes of its organizer, John Mainer, as its annual Christmas program has brought to us the spirit, awe, and beauty of the season.

We may look forward to many more such performances and are proud that our College is so represented in this area.

Contemporary Affairs Society

Contemporary Affairs Society members

This society was started with the principle of furthering the students' interest in current national and world affairs. The meetings consist of discussions of pertinent world issues with occasional guest speakers.

The Contemporary Affairs Society has a shelf reserved in the N.E.C.C. library consisting of books and periodicals on current affairs which can be used by the members to further their knowledge.

Electrons

Members: Front row: D. Nason, D. Bell, Louis Finelli, D. Etter. Second row: D. Bistany, M. Cleary, C. Bendwicz, D. Peters,

T. Cisowski, G. Lufkin. Third row: A. Delisle, T. Raskow, P. LaChapelle, J. Papalardo, N. Commo.

The Electrons' Club was organized in 1963, thus becoming the student organized, sanctioned extra-curricular activity at N.E.C.C. The club's purpose is "to foster and preserve interest in the different branches of electronics, to secure controlled recognition of the electrical industry and to further the continuing education of electrical engineers."

Their clubroom, completed in 1964 and built entirely by the members, houses the college radio station which supplies music to the student lounge, and is used as a median for announcements.

At the club's annual dinner-dance, the student who has contributed most to the advancement of the club is presented with the Harold Bentley Award, instituted in 1963 and presently held by Robert DeFretis and Donald Kennedy.

Under the direction of Adviser Mr. Sullivan and Honorary Members Messrs. Champy and Arnold, the club has taken several field trips which, combined with its other activities continue to make the club one of the most active and influential organs of the Student Body.

Honored Electrons: Seated: Dan Nason — Secretary, Dick Etter — Treasurer. Standing: Dick Bell — President, Louis Finelli — Vice President.

Literary Club

At the beginning of the 1965-66 school year, several students under the guidance of Mr. Kimball and Mrs. Molinoff initiated the Northern Essex Community College Literary Society. The purpose of this society is to provide for interested students a facility to which they can bring their literary efforts for discussion and criticism. The society, from the outset was such a success that it was decided to publish a magazine of the best material. The first issue published in the Spring of 1966 met with nothing but favorable comments. Not only is the magazine a first for Northern Essex, it is the first such publication in the Massachusetts community college system.

Secretarial Club

Senior Secretaries members

This year the Northern Essex Community College Future Secretaries' Club was initially formed. The purpose of this club is to promote an interest in the secretarial field, and to aid in civic betterment in the college.

National Secretaries Week, the last week of April, was observed by all of the members. The club celebrated

this week by having a luncheon at Di Burro's Restaurant in Bradford. In honor of National Secretaries Week, President Bentley officially declared Wednesday, April 27 as Secretaries' Day at Northern Essex Community College.

Freshman Secretaries members

Ski Club

Seated: Barbara Carey, *Secretary*; Mr. Frank Padellaro, *Advisor*; William Wall, *President*.

The ski club was instituted to provide a medium of physical development in the sport of skiing within the school.

This year they were able to attend one ski trip which was very successful and are in the hopes of going on more trips next year.

Student Teachers Club

Student Teachers Club members

The Student Teachers Club, organized in November, 1965, is one of the newest clubs at N.E.C.C. Founded to acquaint aspiring teachers to the field's many aspects and to further social and educational benefits of both club members and students in general, the club's activities have included field trips to Burke Memorial Hospital, Lowell State College and the Oliver School in Lawrence. Their semi-monthly meetings include programs by various speakers and plans for future activities.

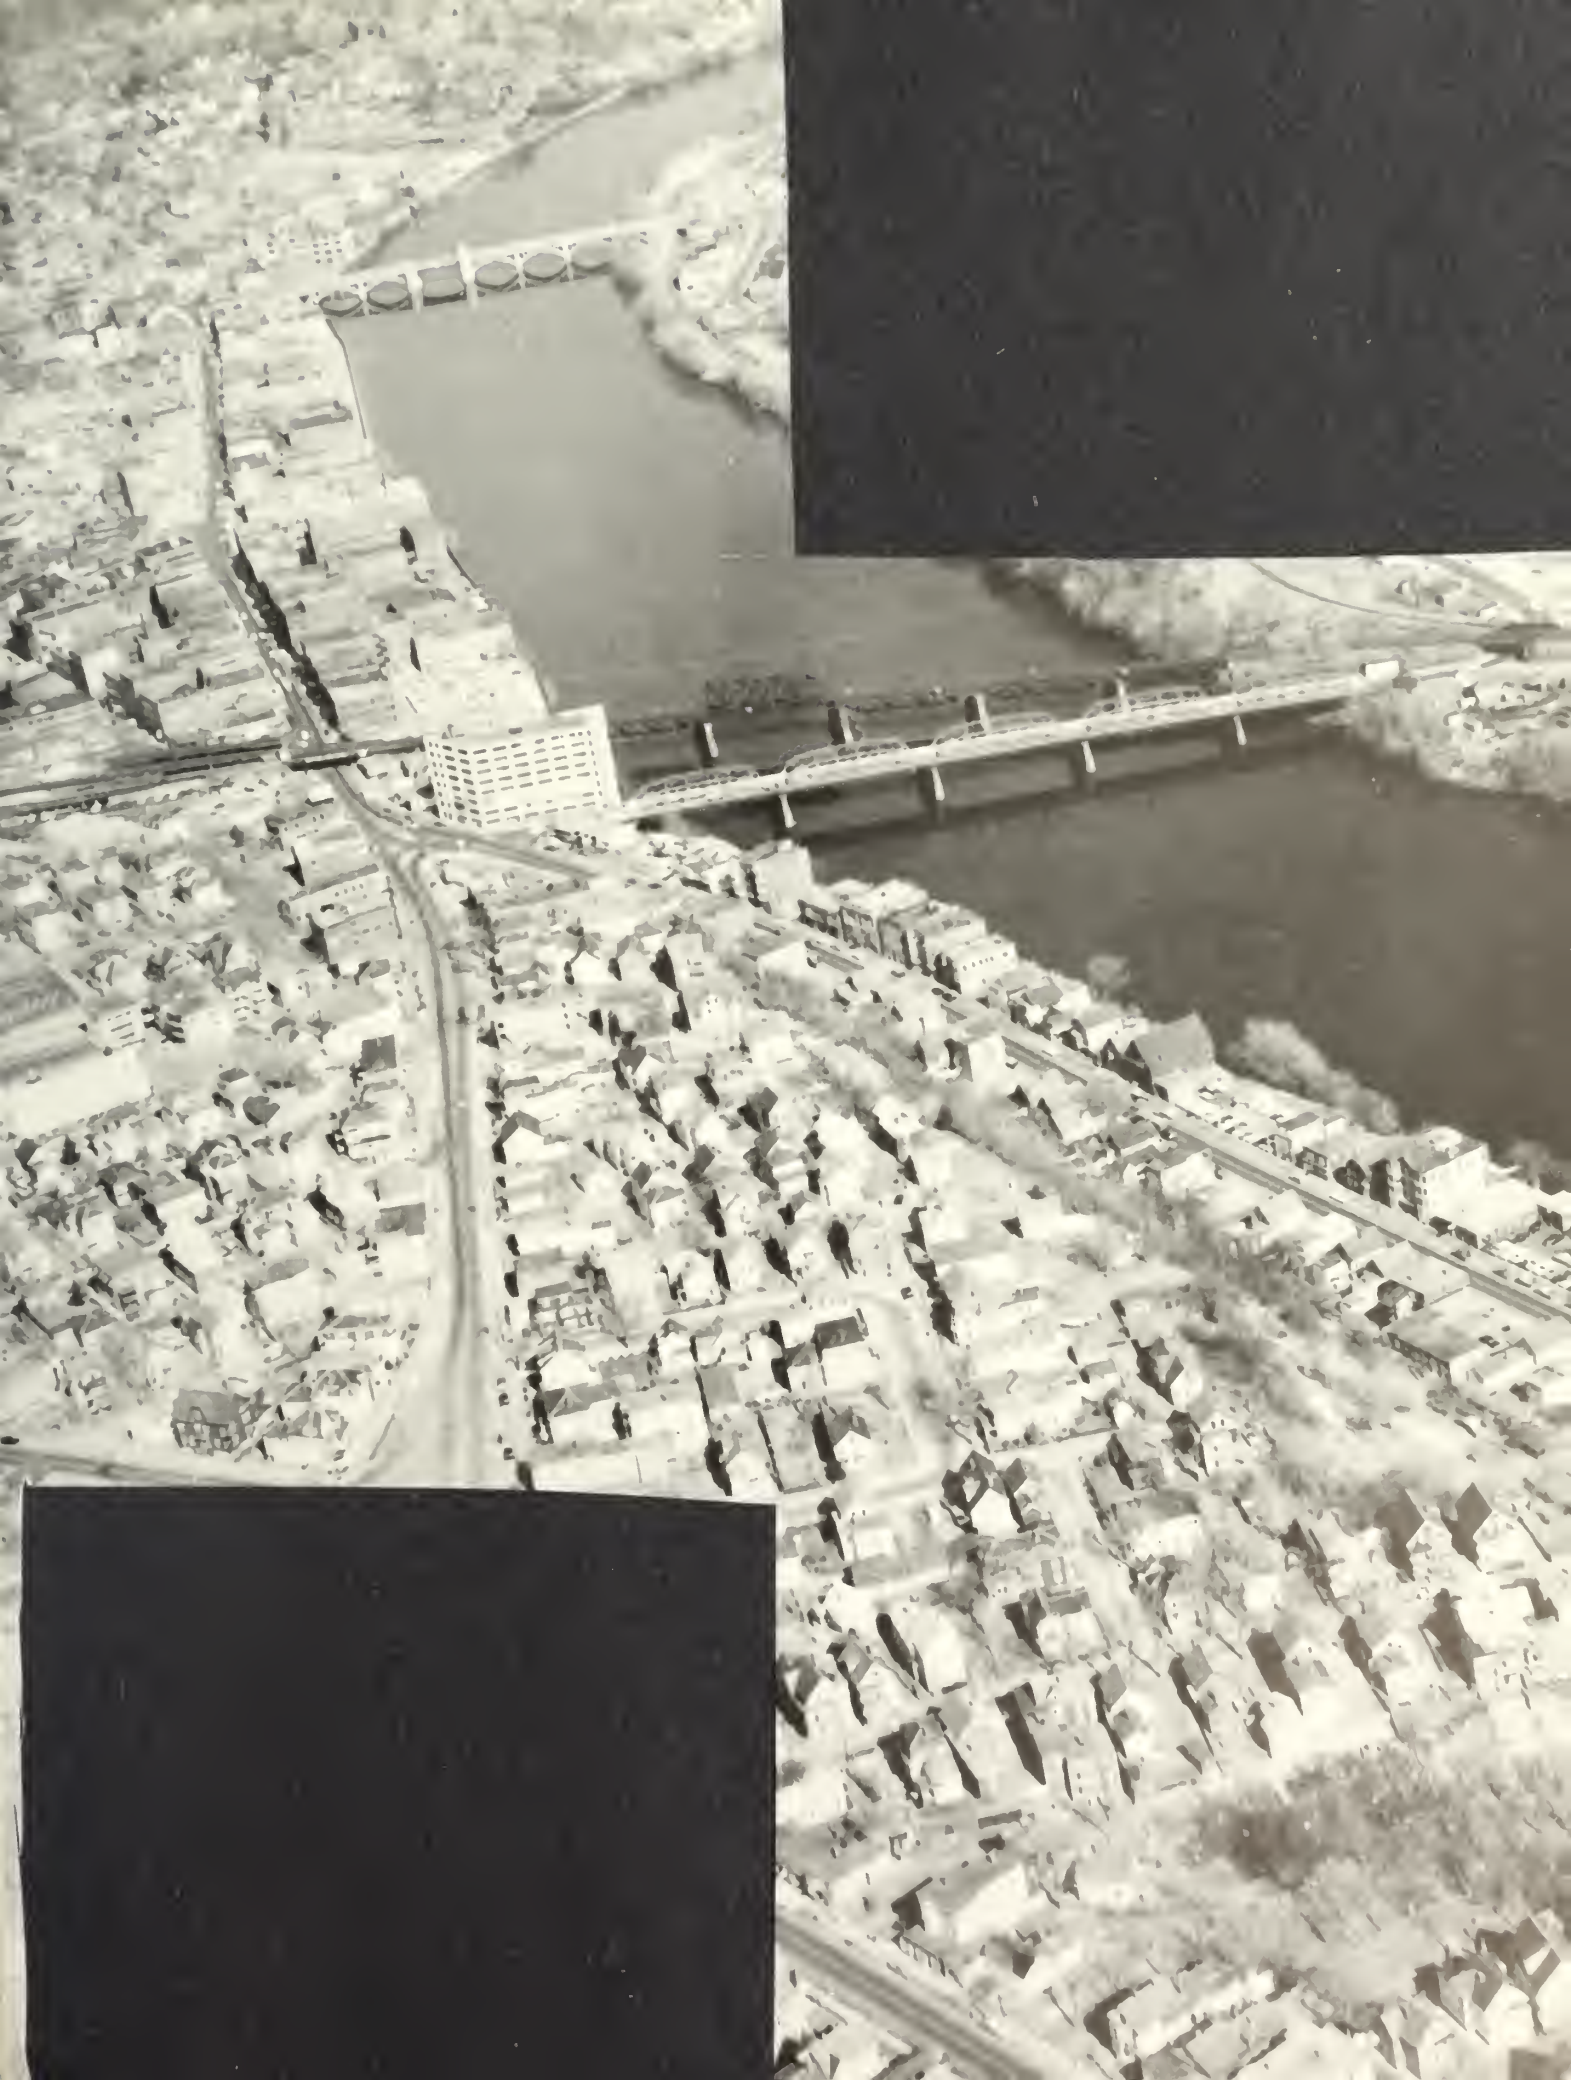

Tennis Club

The purpose of this organization, formed this year, is to include School Spirit through the media of competitive sport, to provide for those students that would like to learn how to play tennis and to allow those with the ability to play tennis the opportunity to enhance that ability.

(Yawn!)

AND TIME IS NOT

(Anonymous)

College life—is the Great Make-Believer, the bitter reality, the party that never ends, the race that is never won.

It is Alice in Wonderland standing on her head, talking to Pogo about calculus With Hail Alma Mater in the background and the feel of peanut butter sticky on her thumbs—and a beer glass standing on her floor.

It is a retreat which the world can never touch—a place of silence and peace where the moment of international crisis is the point after the touchdown.

And the most unforgettable character is—yourself.

The religion is faith. The creed is hope. The motto is "Next week we study!"

Never before—nor after—are you so ever close to reality, and yet so vitally withdrawn from it.

The sorrows are deep deathly sloughs of despair and dejection.

The loneliness comes creeping and overwhelms you. And there is no one and nothing to fill the racking, silent void.

And then you have a lemon soda.

And there is the joy and the ecstasy, the love of your life, reaching even the counselors and department heads.

And the rustle of leaves, and the string of cars glistening on a rainy night that fill you with peace and love that no poem or cathedral can ever give.

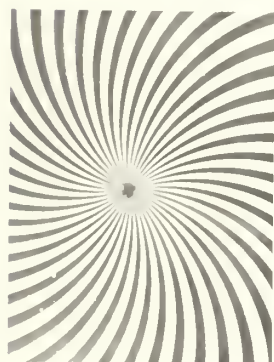

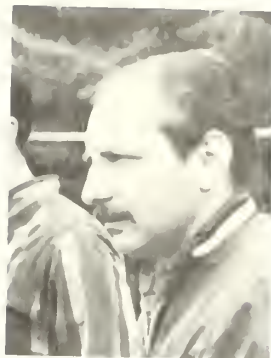

They simply *are*, these few years

And we never will them.

We sometimes appreciate them.

And we spend the rest of our lives

Re-living them.

A Message from the Editor—

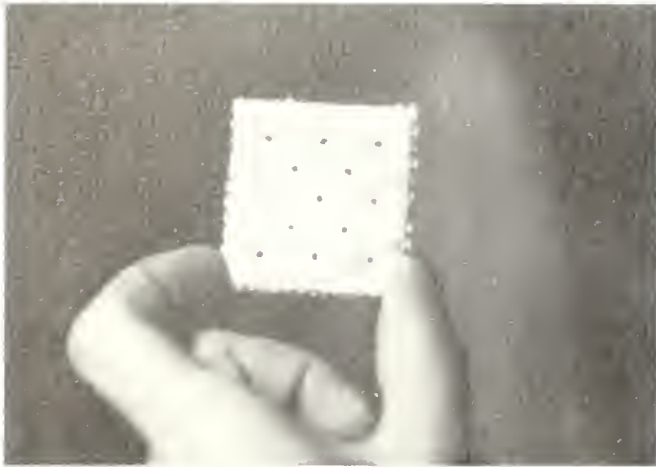

This little supplement was to contain a will, which Mary Shanahan had compiled, but there just wasn't enough room for it. Rather than using parts of it, I decided not to disappoint anyone—so we didn't include it here. Thanks, Mary, anyway!

On pages 76-78, there are lists of names—and several people asked me who they were. These are students who weren't photographed. We tried to include everyone—sorry if we missed a few of you! It's hard to keep this kind of a publication up-to-the minute.

I'd also like to say a word and a prayer for the two students who have passed away—Mike Garfunkel (Class of 1968) and Brad Du-Grenier (Class of 1967). And Robert Kennedy—words cannot fill the void of the passing of these people! Wherever you go—whatever you do, all the luck and happiness in the world! And a glimpse back in the past to NECC—may it be a joyful one.
